

CENTER FOR TEACHING & LEARNING

Welcome!

Thank you for your interest in the Center for Teaching & Learning! CTL is a unique school founded by educators on best practices.

At CTL we acknowledge that all children are born with a love of learning that involves discovery, curiosity, creativity, persistence, and resilience. Our job is to keep it alive from grade to grade, and that is our goal at CTL.

We have built and continue to protect that vision and mission and maintain a culture of kindness, of acceptance, of love, and of mutual respect. At CTL, students belong to a family—the CTL family.
